Chairman's Letter

Dear Friends,

The global pandemic presented CTC with unprecedented challenges and opportunities. We met those challenges because of an unwavering commitment to our mission from volunteers, donors, board members and staff. We are now poised to exploit these new opportunities because we implemented a robust technology infrastructure, virtual services and a more robust outreach strategy.

We are pleased to present CTC's FY2022 Annual Report to the community, which celebrates our accomplishments.

Over the last 12 months, CTC:

- Launched a new website, client management system and coach scheduling system.
- Served over 780 people with career programming.
- Welcomed 4 new coaches and retained 50 coaches and workshop facilitators.

I have special gratitude to CTC's volunteers, who express and act on their values of supporting people seeking meaningful work. Their commitment to clients and the mission inspire the staff and board. Collectively, they have donated 1,700 hours over the last year.

Our clients remain the heart of what we do every day – we provide professional and emotional support at a time when they need it the most. On behalf of our board, volunteers, staff and clients, I would like to thank you for your support.

Thank you for your confidence in our work,

Larry Krema
