Dear Friends,

Happy Summer!

I hope this letter finds you and your family well.

The Career Transitions Center staff and cadre of 50 volunteers provided job seekers with coaching, programming and community of support throughout the pandemic. We are so very grateful to our volunteers, as well as alumni who provided job leads and networked with clients during their search.

I am excited to share our impact this year:

We honored Mike for his 10 years of service to CTC at the Passport to Taste Fundraiser and I am honored to share his thoughts on CTC:

Only with your support can we continue to provide much needed services to the unemployed people in our community in the weeks and months ahead. Please support us with a donation before our fiscal year ends on 6.30.22.

Wishing each of you good health and happiness,
